RE: Entity #232902 – Form 471-171049048

Dear FCC,

I am writing this letter to ask for a waiver for the deadline date to file Form 471. The closing date was 5/11/17. I had filed form 470 on time believing since I submitted the same information that all forms would have been updated.

If it weren't for me to clear out my clutter in Office 365, I would not have noticed the important message that was received on 5/9/17 indicating that our form 470 was certified but our form 471 was not completed and certified. I apologize for this error. I don't know why USAC Schools and Libraries e-mail was sent to Clutter instead of my inbox. I have taken the steps to automatically move e-mail from USAC Schools and Libraries to a folder of its own.

I would be so grateful that you would consider a waiver for our school. Thank you.

Sincerely,

Mrs. Linda Midwig
IT Specialist - Instructor
The Highlands School
